Maverick's Extended Web Classroom

"The next best thing to attending the course in person"

What it is:

- **100% Instructor Led training over the WEB**
 - o Voice over IP
 - o Full Live Presentations, Demonstrations and Full participation in the course
 - o You are actually in the same course that our classroom customers are in
- **Connect to a dedicated CAD station at Maverick**
 - o You do not need any CAD software
 - o All you need is a PC connected to the Web
- **Manual and Dassault Certificate provided**

Advantages:

- No travel expenses
- No CAD required at your location
- Work through exercises over the internet at one of our workstations
- 100% instructor led and interactive
- Ask questions
- Hear live lectures
- See and hear "live" demonstrations

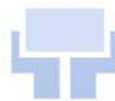

Maverick's Guarantee if you are not satisfied with the course you can take it LIVE at Maverick's location, the next time it runs.
